Cover Summary

VIP Super Extras 85.

Here's a summary of the services and treatments we pay benefits towards under your cover. Please read it and keep it somewhere safe for future reference. For a better understanding of how your cover works refer to your Member Guide, which is a summary of our Fund Rules and policies, or call us on 131 680.

Making the most of your Extras cover.

Here are the Extras services you can claim for, along with the limits and waiting periods that apply. With this Extras product, you can claim a known percentage back at any recognised provider nationwide. That gives you the flexibility to use the service provider of your choice, knowing exactly what percentage of their charge you will receive back each time, up to your annual limit.

It's important to know that the benefit we pay for each service or item is likely to be less than your annual limit and less than your provider's charge, which means you may have out-of-pocket expenses to pay.

CS0182 Cover Summary VIP Super Extras 85 | 2

⁺ For ambulance attendance or transportation to a hospital where immediate professional attention is required and your medical condition is such that you couldn't be transported any other way. TAS and QLD have State schemes to cover ambulance services for residents of those States.

^{*} Benefits will only be paid towards dental and orthodontic treatments that are administered in person (not via phone or online), by a recognised provider.

[±] Members can claim a maximum of two 100% back dental check-ups per member, per year either at a Members' Choice Advantage dentist (including up to two bitewing x-rays per check-up where required), or a Members' Choice dentist (excluding x-rays), or a combination of both. These check-ups do not count towards annual limits.

? Things you need to know about your Extras cover.

Waiting periods.

A waiting period applies when you join Medibank, or change your cover to include new or upgraded services. We won't pay benefits for any items purchased or services received while you are serving a waiting period.

Switching from another health insurer?

You may not need to re-serve waiting periods if you join Medibank within 2 months of leaving your previous health insurer, and you've already served the waiting period for that service. Benefits paid under your previous cover will be taken into account in determining the benefits payable under your Medibank cover.

Annual limits.

An annual limit is the maximum amount of benefits we pay towards services and/or items within a calendar year. A combined limit is an annual limit that applies to a group of services and/or items.

Lifetime limit.

This is a once-only limit that isn't reset each year. When you reach this limit, you can no longer claim that benefit again, even if you change your cover.

Benefit Replacement Periods.

This is the amount of time you need to wait from the date you purchase an item, before we pay towards a replacement for it. Below are the Benefit Replacement Periods that apply to your cover.

Benefit Replacement Periods are separate to waiting periods.

Service category	Items	Benefit Replacement Period
Health appliances and external prostheses	Other health appliances (excluding hip protectors, insulin delivery pens and unspecified health appliances) & external prostheses	12 months
external prostneses	Wigs	24 months
Major dental	Crowns, dentures, dental implants & bridges	36 months
Blood glucose monitors and blood pressure monitors	Blood glucose monitors and blood pressure monitors	36 months
Breathing appliances	Nebulisers	36 months
Hearing aids	Hearing aids	60 months

Additional limitations such as service restrictions (clinical reasonability rules) may apply to some individual dental items and services.

Limits also apply to how often you can claim on some extras services. For example, you can only claim on one mouthguard or external mammary prostheses per person, per calendar year.

Please contact us on 131 680 before your treatment.

(2) Helping you live better.

Use Members' Choice Extras providers.

For some (but not all) services, Medibank has entered into arrangements with providers - these providers are known as Members' Choice providers. We've negotiated capped prices that Members' Choice Extras providers can charge, which generally means more money back in your pocket. You can still use a non-Members' Choice Extras provider, as long as they're recognised by Medibank, but you won't be able to take advantage of the capped pricing.

Members' Choice Advantage Extras providers are part of our Members' Choice Network and you may enjoy even better value when you receive eligible extras services at these providers.

It's important to be aware that Medibank's Members' Choice and Members' Choice Advantage Extras providers are not available for all services, are subject to change without notice, and are not available in all areas, so please check if they're a Members' Choice or Members' Choice Advantage provider before your treatment or service.
